Proposed Project

10. Amount being requested: \$ _____

Please check the box if you would be willing to accept partial funding of the amount requested.

11. Period to be covered by funds:

12. Names of the project manager and key staff involved:

13. Please outline here or attach a simple budget of how funds will be expended (if a budget is attached, it does not count in the three-page limit):

14. Please provide the following information about the effort you propose. Please answer directly and concisely:

a) What is the *central objective* of the effort you propose? _____

b) Please provide a *short description* of what you propose, including key activities and timeline.

c) How will your proposed effort *make a difference* in any of the program's areas of focus?

d) Once completed, how will your effort promote sustainable, long-term benefits in any of the three focus areas of the Greater Giving Program? _____

Androskoggin Bank's
Greater Giving

Community Impact Through Partnership

- e) In what ways will you be able to *observe and measure the impact* of your proposed effort?

- f) Briefly describe the *history of the effort* you propose. Is it a new project? An ongoing one? How can the program be assured that a grant would have some lasting impact?

- g) If the support you are requesting would be combined with *funds from other sources*, name the sources as well as the timing and amount of their funding. If the level of funding you require is not received, what will be the impact on the proposed effort?
